# TelexFree Updates

Notification!!

Friends today Tuesday, January 22 until Friday the 25th Telexfree are exchanging their servers!

Reason: today this demand with 300 000 hits daily and with the launch of E-Commerce will this number 1.2 million hits day! So the site is showing load failures, bank data, but do not worry the only Telexfree this further improving services! Remember, the Telex-Commerce will bring income to the trade, jobs for people, shops vain register for the site and vain to sell their products and services to publishers worldwide, this will generate income for the government, jobs, more resources to local governments. The Telexfree will make everyone just do Telexfree! So changes are happening in the enterprise server and all advisers should be informed about it! Do not despair, the entire database is being recorded and will be updated! Take all this information!
